

is hereby given of the following meeting.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

The portions of the meeting devoted to the review and evaluation of journals for potential indexing by the National Library of Medicine will be closed to the public in accordance with the provisions set forth in section 552b(c)(9)(B), title 5 U.S.C., amended. Premature disclosure of the titles of the journals as potential titles to be indexed by the National Library of Medicine, the discussions, and the presence of individuals associated with these publications could significantly frustrate the review and evaluation of individual journals.

*Name of Committee:* Literature Selection Technical Review Committee.

*Date:* February 6–7, 2003.

*Open:* February 6, 2003, 9 a.m. to 11 a.m.

*Agenda:* Administrative reports and program discussions.

*Place:* National Library of Medicine Building 38, Board Room, 2nd Floor, Center Drive, Bethesda, MD 20814.

*Closed:* February 6, 2003, 11 a.m. to 5 p.m.

*Agenda:* To review and evaluate journals as potential titles to be indexed by the National Library of Medicine.

*Place:* National Library of Medicine, Building 28, Board Room, 2nd Floor, Center Drive, Bethesda, MD 20814.

*Closed:* February 7, 2003, 8:30 a.m. to 2 p.m.

*Agenda:* To review and evaluate journals as potential title to be indexed by the National Library of Medicine.

*Place:* National Library of Medicine, Building 38, Board Room, 2nd Floor, Center Drive, Bethesda, MD 20814.

*Contact Person:* Sheldon Kotzin, MLS, Chief, Bibliographic Services Division, Division of Library Operations, National Library of Medicine, 8600 Rockville Pike, Bldg 38A/Room 4N419, Bethesda, MD 20894.

Any interested person may file written comments with the Committee by forwarding the statement to the Contact Person listed on this Notice. The statement should include the name, address, telephone number and, when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has instituted stringent procedures for entrance into the building by non-government employees. Persons without a government I.D. will need to show a photo I.D. and sign in at the security desk upon entering the building.

#### National Library of Medicine; Notice of Meetings

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. Appendix 2), notice is hereby given of meetings of the Board of Regents of the National Library of Medicine.

The meetings will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

The meetings will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

*Name of Committee:* Board of Regents of the National Library of Medicine, Extramural Programs Subcommittee.

*Date:* February 10, 2003.

*Closed:* 3 p.m. to 5 p.m.

*Agenda:* To review and evaluate grant applications.

*Place:* National Library of Medicine, Building 38, Conf. Room B, Center Drive, Bethesda, MD 20894.

*Contact Person:* Donald A.B. Lindberg, MD, Director, National Library of Medicine, National Institutes of Health, PHS, DHHS, Bldg 38, Room 2E17B, Bethesda, MD 20894.

*Name of Committee:* Board of Regents of the National Library of Medicine, Subcommittee on Outreach and Public Information.

*Date:* February 11, 2003.

*Open:* 7:30 a.m. to 8:45 a.m.

*Agenda:* Program documents.

*Place:* National Library of Medicine, Building 38, Conf. Room B, Center Drive, Bethesda, MD 20894.

*Contact Person:* Donald A.B. Lindberg, MD, Director, National Library of Medicine, National Institutes of Health, PHS, DHHS, Bldg 38, Room 2E17B, Bethesda, MD 20894.

*Name of Committee:* Board of Regents of the National Library of Medicine.

*Date:* February 11–12, 2003.

*Open:* February 11, 2003, 9 a.m. to 4:30 p.m.

*Agenda:* Administrative Reports and Program Discussion.

*Place:* Library of Medicine, Board Room, Room 2E17, Bldg. 38, 8600 Rockville Pike, Bethesda, MD 20892.

*Closed:* February 11, 2003, 4:30 p.m. to 5 p.m.

*Agenda:* To review and evaluate grant applications.

*Place:* Library of Medicine, Board Room, Room 2E17, Bldg. 38, 8600 Rockville Pike, Bethesda, MD 20892.

*Open:* February 12, 2003, 9 a.m. to 12 p.m.

*Agenda:* Administrative Reports and Program Discussion.

*Place:* Library of Medicine, Board Room, Room 2E17, Bldg. 38, 8600 Rockville Pike, Bethesda, MD 20892.

*Contact Person:* Donald A.B. Lindberg, MD, Director, National Library of Medicine, National Institutes of Health, PHS, DHHS, Bldg 38, Room, 2E17B, Bethesda, MD 20894.

Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has instituted stringent procedures for entrance into the building by non-government employees. Persons without a government I.D. will need to show a photo I.D. and sign in at the security desk upon entering the building.

Information is also available on the Institute's/Center's home page: [www.nlm.nih.gov/od/bor/bor/html](http://www.nlm.nih.gov/od/bor/bor/html), where an agenda and any additional information for the meeting will be posted when available. ## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### National Institutes of Health

#### Prospective Grant of Exclusive License: Methods and Compositions for the Promotion of Hair Growth Utilizing Actin Binding Peptides

**AGENCY:** National Institutes of Health, Public Health Services, DHHS.

**ACTION:** None.

**SUMMARY:** This is notice, in accordance with 35 U.S.C. 209(c)(1) and 37 CFR

404.7(a)(1)(i), that the National Institutes of Health, Department of Health and Human Services, is contemplating the grant of an exclusive license to practice the invention embodied in U.S. provisional patent application 60/351,386 (DHHS ref. no. E-053-2002/0-US-01) filed January 25, 2002, and entitled "Methods and compositions for the promotion of hair growth utilizing actin binding peptides," to Lee's Pharmaceutical (Hong Kong) Ltd. having a place of business in Hong Kong. The patent rights in this invention have been assigned to the United States of America.

The prospective exclusive license territory will be China, Hong Kong and Taiwan. The field of use may be limited to use of actin binding peptides for the promotion of hair growth.

**DATES:** Only written comments and/or license applications which are received by the National Institutes of Health on or before February 24, 2003, will be considered.

**ADDRESSES:** Requests for copies of the patent(s)/patent application(s), inquiries, comments and other materials relating to the contemplated exclusive license should be directed to: Jonathan V. Dixon, Technology Licensing Specialist, Office of Technology Transfer, National Institutes of Health, 6011 Executive Boulevard, Suite 325, Rockville, MD 20852-3804; Telephone: 301.435.5559; Facsimile 301.402.0220; email [dixonj@od.nih.gov](mailto:dixonj@od.nih.gov).

**SUPPLEMENTARY INFORMATION:** The above-referenced patent application relates to the discovery of actin binding peptides that have been shown to promote hair growth. Specifically the patent application discloses a seven amino acid peptide of Thymosin-beta4 that promotes hair growth.

The prospective exclusive license will be royalty-bearing and will comply with the terms and conditions of 35 U.S.C. 209 and 37 CFR 404.7. The prospective exclusive license may be granted unless within 60 days from the date of this published notice, the NIH receives written evidence and argument that establish that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR 404.7.

Applications for a license in the field of use filed in response to this notice

will be treated as objections to the grant of the contemplated exclusive license. Comments and objections submitted to this notice will not be made available for public inspection and, to the extent permitted by law, will not be released under the Freedom of Information Act, 5 U.S.C. 552.

Dated: December 13, 2002.

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Substance Abuse and Mental Health Services Administration

#### Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (301) 443-7978.

Prevention Program Outcomes Monitoring System (PPOMS)—New—Section 516 of the Public Health Service Act [42 U.S.C. 290bb-22] directs SAMHSA's CSAP to "address priority substance abuse prevention needs of regional and national significance through the provision of knowledge development and application projects for prevention and the conduct or support of evaluations of such projects".

Since 1999, CSAP has used the National Registry of Effective Prevention Programs (NREPP, OMB No. 0920-0210) to review and rate substance abuse prevention programs utilized nationwide. Through NREPP, CSAP has expanded its information collection to include programs conducted by entities external to CSAP, including state and local governments, nonprofit entities, and the private sector. Programs that are well implemented, rigorously evaluated, produce consistent positive results, and are able to assist in the dissemination effort are selected as model programs. Model programs are then promoted to

substance abuse professionals and practitioners nationwide through various channels, including CSAP's State Initiative Grant recipients.

PPOMS is a national probability sample of schools (public and private, serving grades K-12), colleges (2- and 4-year, private and public), youth agencies and other community organizations and community coalitions to quantify the extent of the field application of NREPP identified science-based prevention programs. PPOMS will also examine such parameters as program fidelity and adaptation, for science-based prevention programs identified through NREPP, as well as documented outcomes of program effectiveness.

PPOMS utilizes a data collection system that will consider several parameters related to CSAP science-based program replication. PPOMS will: gauge practitioner access to CSAP science-based materials and programs, estimate the proportion of practitioners replicating these programs, quantify and explain barriers to replication and facilitating structures and mechanisms that aid in program replication, document the degree of fidelity and adaptations of program replications, and measure program replication outcomes. Knowledge of these factors will allow CSAP to better direct its dissemination of NREPP identified programs, provide access to training and technical assistance for practitioners, and gain a more comprehensive understanding of the decision making processes involved in choosing NREPP identified programs for replication.

Data derived from the Prevention Program Outcomes Monitoring Systems (PPOMS) will be used by the Center for Substance Abuse Prevention (CSAP) to determine the extent, magnitude, and effectiveness of CSAP's science-based program replications. The Prevention Programs Outcomes Monitoring System will determine the efficacy of NREPP in identifying, promoting, and disseminating the best science based substance abuse prevention programs to the field and subsequently, to the American public. The final report of PPOMS findings will contain appropriate information for use by governmental agencies, private organizations, and nonprofit entities.

Annual burden estimates for PPOMS are shown in the following table.

Form name	Number of respondents	Responses/respondent	Hours/response	Total hour burden
Screener .....	1,080	1	.17	184
Survey scheduling post card .....	1,080	.....	.08	86
